

Fire & Safety Inspection

February 20th @ 9:00 am

Alarms will sound during this inspection.

Alarm & Sprinkler: This Inspection will require access into ALL tenant spaces to visually inspect the Fire Alarm & Sprinkler devices. The Fire Alarms will sound periodically during the Inspection. If NO ACCESS is granted into any of the tenant spaces the technician will mark the units as a deficiency with NO ACCESS. If ANY return trip is requested by property management, there WILL be a trip charge and labor fee included on the return trip.
